Our coffee and teas are served in a French press. Because the coffee grounds remain in direct contact with the brewing water and the grounds are filtered from the water via a mesh filter, brewing with the French press captures more of the coffee's flavor and essential oils.

At 1892 East, we support local farms, foods and artisans. Wherever feasible, we have sourced our products from local growers and artisans. We have also included regional variety, but with a focus on family farms, organic and/or sustainable practices. It is our hope to continue to expand the local farm to fork initiative.
