COFFEE

Organic, Fair Trade, Shade Grown

Our coffee and teas are served in a French press. Because the coffee grounds remain in direct contact with the brewing water and the grounds are filtered from the water via a mesh filter, brewing with the French press captures more of the coffee's flavor and essential oils.

Higher Ground Literacy Council Blend

A medium body with a taste of wild berries, a subtle sweetness, and hints of almond in the finish 5/7

Higher Ground Water Processed Decaf

A medium bodied, dark roast with characteristics of caramel and a taste of chocolate 5/7
