*At 1892 East we support local farms, foods, and artisans. Whenever feasible, we source our products from local growers and artisans. We also include a variety of regional products focusing on family farms, organic, and sustainable practices. It is our hope to continue to expand the local farm to fork initiative.*

## COFFEE

*Organic, Fair Trade, Shade Grown*

*Our coffee and teas are served in a French press. Because the coffee grounds remain in direct contact with the brewing water and the grounds are filtered from the water via a mesh filter, brewing with the French press captures more of the coffee's flavor and essential oils.*
